# — Visit the Courtyard Showroom & Design Centre —

The largest architectural glass showroom in the UK

The Courtyard Showroom is a unique glazing experience, designed to show designers, architects and home owners what is possible from their glass design.

Make your appointment and our expert technical advisor will give you a personalised tour of the Courtyard Showroom

*Contact IQ to arrange your personal meeting & viewing*

It is unique opportunity to view these specialist architectural glazing structures and decide what will be best for your project.

Our architectural glazing showroom is the largest of its kind in the UK and shows a wide range of the most popular architectural glazing products.

## A personalised service and experience

When you arrange a visit to the IQ Showroom at Sky House you can be sure to get a personalised and unique glazing experience with a one to one meeting with one of our expert advisors.

As well as a purpose built glazing environment we also have an expansive collection of framing sections and colour samples to view.

*Contact IQ to arrange your personal meeting & viewing*

Externally built and subjected to normal weather conditions allows you to really see how things will look on site.

Every corner of our offices and showroom have been specifically designed to show as many examples of architectural glazing as possible.

## You'll Also Visit the Sky House Design Centre

The Sky House Design Centre is the premier location for design in the South East. The two storey showroom space is home to some of the most exciting and innovative home design brands in the UK. From doors, kitchen designs, bathroom concepts, flooring, home technology and wall coverings.
